By buying, loading or using your Starbucks Card, you explicitly agree to these terms.

**You agree that we may unilaterally provide notices, disclosures and amendments to this Agreement, and other information relating to your Starbucks Card by electronic means, including posting such materials online at <http://www.starbucks.hu> for valid reasons, for example:**

- changes to generally applicable law which directly affect this Agreement;
- changes to interpretation of law by courts or public authorities which directly affect this Agreement;
- issuance of a ruling or decision by a court or public authority which directly affects this Agreement;
- introduction of new functionalities on the Starbucks Card;
- the need to prevent breach of the law or terms and conditions, or take measures to prevent abuses;
- the need to resolve unclear issues or doubts as to interpretation;
- transformation of Starbucks Hungary (change of legal form), change to the name of Starbucks Hungary, details entered in registers, identification numbers, address and contact details, URL address, or of the e-mail address given in the Agreement.

## **About Your Account**

We issue the Starbucks Card to you. Starbucks Card means a pre-paid gift card, with a unique 16-digit identification code and a 5-digit security code, issued for use by the card holder, entitling the User to perform transactions in Starbucks stores located in Hungary. It allows you to load a Hungarian forint value onto your Starbucks Card for use at participating Starbucks stores. The Hungarian forint value that you load onto your Starbucks Card is a prepayment for the goods and services of participating stores. We offer the Starbucks Card to make it easier for you to shop with us and to make your relationship with us more rewarding. Unless otherwise required by law or permitted by this Agreement, **the Hungarian forint value on your Starbucks Card is nonrefundable** (except for special cases specified in this Agreement) **and may not be redeemed for cash**. The value on your Starbucks Card does not earn interest.

All Starbucks stores in Hungary accept your Starbucks Card.

Starbucks Cards are not targeted towards nor intended for use by anyone under the age of 14. If you are between the ages of 14 and 18, you may only use Starbucks Cards with the consent and under the supervision of a parent or legal guardian who agrees to be bound by this Agreement.

When you register your Starbucks Cards with the Starbucks Rewards® program, the Starbucks Rewards® terms of use will also apply and can be found at [www.rewards.starbucks.hu](http://www.rewards.starbucks.hu).

## **Loading Value on Your Card**

In Hungary, you can load value on your Starbucks Card by visiting any participating store or going online to <http://www.card.starbucks.hu>. There may be a delay from the time you pay the amount to be loaded onto your Starbucks Card and those funds being available for use.

You may not have more than HUF 70 000 in value on any of your Starbucks Cards at any time, and no more than HUF 15 000 may be associated with any one Starbucks Card in a single day. This means that the activity on any one of your Starbucks Cards cannot exceed HUF 15 000 over the course of a day. The total value you may load onto all of your Starbucks Cards, may not exceed HUF 2 500 000 on any given day. The total value of payment transacted with your Starbucks Card cannot exceed HUF 300 000 000 million in any 12-month period. There is a minimum amount that you may load on Starbucks Card at any given time and that amount is HUF 1500. We may change any of these amounts at any time without notice to you by amending this Agreement.

If you use a credit or debit card to purchase or reload your Starbucks Card, prior to charging your credit or debit card, an authorization process will occur for the amount of your purchase or reload transaction ("Transaction"). The authorization process managed by PayU S.A. company will validate the credit or debit card number, expiration date and CVV2/CVC2 code to ensure that

it matches what the bank or card company has on file. Your bank or Starbucks Hungary may attempt to contact you for additional information prior to authorizing the Transaction amount.

For credit cards, once an authorization is received, you may notice a decrease in your available credit line. Your bank may hold this Hungarian forint amount from your credit line or available balance for a short period of time determined by the policy of your bank before your Transaction is fulfilled. For debit cards, your bank may pre-authorize a charge to your deposit or checking account and place a temporary hold on the funds before your Transaction is fulfilled. Regardless of whether you use a credit or debit card, your card will be charged only upon fulfillment of your Transaction. If your Transaction is cancelled, Starbucks Hungary will request an authorization reversal on your behalf. Reversal times may vary. We recommend contacting your bank or credit card company to learn about their authorization and authorization reversal policies.

All amounts loaded onto your Starbucks Card are denominated in Hungarian forint currency. Starbucks Cards purchased in Hungary may be used in Hungary only. Transactions that occur on our website are denominated in Hungarian forint.

To make reloading your Starbucks Card easier, you can use our online reload feature. By linking a payment method to your Starbucks account which you can access at <http://www.card.starbucks.hu> , you can reload your Starbucks Card whenever you like. You can also reload your Starbucks Card in-store.

### **Promotional Programs**

From time to time, we may, in our sole discretion, run promotional programs associated with the Starbucks Card program ("Promotions"). Such Promotions are subject to these terms, as well as additional terms as indicated in connection with the Promotions. We reserve the right to modify the terms and conditions of any Promotion at any time, including and up to terminating the Promotion.

### **Fees and Expiration of Card Balances**

We do not charge any activation, service, dormancy or inactivity fees in connection with your Starbucks Card. Your Starbucks Card is valid for a 24-month period from the date of its last use, which means the date of the last Card reload or transaction made with the Card.

### **Receipts and Transaction History**

When you use your Starbucks Card, we will provide a receipt regarding your purchase. The receipt will indicate that the purchase was made using a Starbucks Card. Please check your online transaction history regularly to ensure that your transaction history and account balance are correct. You can check the balance of your Starbucks Card or review recent transactions on your Starbucks Card at <http://www.card.starbucks.hu>. You will need to have your Starbucks Card available in order to access your account.

### **Billing Errors, Corrections**

We will correct the balance of your Starbucks Card if we believe that a clerical, billing or accounting error occurred. If you have questions regarding your transaction history or any correction, or if you wish to dispute any transaction or correction that has been applied to your Starbucks Card, please call Customer Service at +36 1423 4101. Assuming you provide sufficient details, we will review your claim and tell you what we find. We will correct any error promptly after we finish our review. If we do not find any error, we will explain what we found. We have no obligation to review or correct any billing error unless you provide us sufficient notice for us to review your claim within thirty (30) days of the date of the transaction in question.

### **Fraud Associated with Your Starbucks Card or Card Balance**

We will not accept any Starbucks Card or will limit use of any Starbucks Card or Starbucks Card balance, if we reasonably believe that the use is unauthorized, fraudulent or otherwise unlawful, and we consider such action appropriate to limit our risk. Starbucks Hungary does not control who may sell preloaded Starbucks Cards, nor can we control the price or preloaded denominations offered by independent sellers. Consequently, Starbucks Hungary has no liability to you for any third party fraud or unlawful activity associated with any Starbucks Card balance. **If Starbucks Hungary discovers any Starbucks Card or Starbucks Card balance was sourced or derived from fraud or other unlawful means, in our sole discretion, we may cancel all impacted Starbucks Cards and retain all related Starbucks Card balances with notice to you. We may use retained Starbucks Card balances to help offset our liability to card companies, networks and issuers of lost or stolen credit and debit cards used to purchase or load Starbucks Cards.**

When registering for or purchasing a Starbucks Card, you agree that you will: (i) provide complete and accurate information about yourself; and (ii) update such information if it changes. **We may amend this Agreement at any time.** We will post the amended Agreement to our website at <http://www.starbucks.hu>, and for a period of thirty (30) days after we post the amended Agreement, we will also post a notice on our website stating that the terms of this Agreement have changed. As permitted by Hungarian law, any change, addition or deletion will become effective at the time we post the revised Agreement to our website. Unless we state otherwise, the change, addition or deletion will apply to your future and existing Starbucks Cards. You are deemed to accept the changes, additions or deletions if: (1) you do not notify us to the contrary in writing within 30 days of the date of our notice or such other time specified in the notice; or (2) you use any of your Starbucks Cards after such notice period. If you notify us that you do not accept the changes, additions or deletions, we will cancel your Starbucks Cards and refund any remaining balance to you.

### **Cancellation of This Agreement**

**We may suspend or terminate this Agreement and revoke or limit any or all of the rights and privileges granted to you at any time without notice or liability.** Termination may result from your fraudulent or unauthorized use of the Starbucks Card including your failure to provide valid information. For example, transferring balances between different Starbucks Cards solely for the purpose of obtaining cash back is an unauthorized use of the Starbucks Card and if we deem it appropriate to limit our losses we will **cancel any such Starbucks Card and retain any balances associated with those Starbucks Cards. If we terminate this Agreement without cause, we will refund or issue store credits equal to the balance on your cancelled Starbucks Card(s), less any amounts that you may owe us.**

PLEASE READ THESE TERMS OF USE CAREFULLY. BY ACCESSING OR PARTICIPATING IN THE STARBUCKS REWARDS PROGRAM, YOU AGREE TO BE BOUND BY THESE TERMS OF USE AND ALL TERMS INCORPORATED BY REFERENCE. IF YOU DO NOT AGREE TO THESE TERMS OF USE, DO NOT PARTICIPATE IN THE STARBUCKS REWARDS PROGRAM.

These Terms of Use apply to your access to and participation in the Starbucks Rewards program ("Starbucks Rewards") which is operated by Starbucks Corporation, or its respective subsidiaries, licensees and affiliated companies (collectively, "Starbucks") in Hungary, namely by AmRest Kávészó Kft. (registered seat: Dunavirág utca 2-6, 3<sup>rd</sup> tower, 2<sup>nd</sup> floor, 1138 Budapest, company registration number: 01-09-890124, tax number: 14126444-2-41). These Terms of Use do not alter in any way the terms or conditions of any other agreement you may have with Starbucks for other products and services, such as Starbucks Cards. Starbucks reserves the right to change, modify and/or eliminate Starbucks Rewards and/or all or any portion of these Terms of Use or any policy, FAQ, or guideline pertaining to Starbucks Rewards at any time and in its sole discretion. Any changes or modifications will be effective immediately upon posting the revisions to [www.starbucks.hu](http://www.starbucks.hu), and you waive any right you may have to receive specific notice of such changes or modifications. Your participation in Starbucks Rewards confirms your acceptance of these Terms of Use and any such changes or modifications; therefore, you should review these Terms of Use and applicable policies and FAQs frequently to understand the terms and conditions that apply to Starbucks Rewards. If you do not agree to the Terms of Use, you must stop participating in Starbucks Rewards.

The Starbucks Rewards program is intended for personal use only. Commercial use is prohibited. This program is not targeted towards, nor intended for use by, anyone under the age of 14. If you are between the ages of 14 and 18, you may only use Starbucks Rewards under the supervision and with the consent of a parent or legal guardian who agrees to be bound by these Terms of Use.

Please read the Privacy Statement (<http://www.starbucks.hu/about-us/company-information/online-policies/privacy-statement>) carefully to understand how Starbucks collects, uses and discloses information about customers and how to update, change or ask for deletion of your personal information and how we communicate with you.

Starbucks Rewards is one way in which Starbucks endeavors to reward and thank loyal customers for patronizing our business, and purchasing Starbucks® products. Members of Starbucks Rewards can earn and accumulate "Stars" that can be redeemed for Starbucks Rewards benefits, also known as "Rewards," at participating Starbucks stores in Hungary.

#### JOINING STARBUCKS REWARDS

There is one way to enroll in Starbucks Rewards and begin accumulating Stars:

If you have activated a physical Starbucks Card, visit [www.starbucks.hu](http://www.starbucks.hu). Follow the prompts to create an account and register a physical Starbucks Card. The minimum balance required to activate a physical Starbucks Card is HUF 1500 (one thousand five hundred forints).

Starbucks Cards are physical Starbucks branded plastic cards that are available for sale from participating Starbucks stores.

The registration process may require that you provide the following information: email address (required to receive all eligible Rewards), password, physical address, telephone number, Starbucks Card number, and card security code (CSC) (this can be found under the scratch-off layer on the Card), birthday, name, and marketing preferences.

After the Registration is correctly completed, you receive an e-mail sent to the email address given during the registration process confirming registration. To successfully complete registration, open the activation link provided in the e-mail. This activation link is valid for twenty-four hours from the moment it is sent. If an activation link expires the registration procedure must be performed once again.

#### EARNING STARS

The benefits that are available to you through Starbucks Rewards are based on the number of "Stars" that you earn. You can earn Stars by making purchases using a Starbucks Card registered to your account to pay at participating Starbucks stores in Hungary.

You will earn Stars based on the gross value of your in-store purchase at the rate of one (1) Star for each One Hundred and Sixty Forints (HUF 160) you spend using your registered Starbucks Card. Some exclusions apply. For example, you cannot earn Stars on Starbucks Card activations, reloads and transfers. Taxes, tips, donations, and fees, including without limitation, shipping and handling fees, gift wrapping fees, delivery fees, and bag fees, may also be excluded and ineligible for Star accrual. Stars may be earned and awarded in fractional amounts depending on the value of your purchase. For example, for the purchase value of HUF 1680 you will receive 10.5 Stars.

Generally, Stars for qualifying purchases from participating stores are automatically added to your account within twenty-four (24) hours. From time to time we may offer you special promotions that offer you "Promotional Stars." Promotional Stars, such as "bonus" Stars, will be awarded as described in the applicable promotional offer and will be subject to any additional terms set forth in the promotional offer.

If you void a purchase made with your registered Starbucks Card, Starbucks will deduct the Stars that you were awarded for that purchase, potentially resulting in a negative Star balance on your account. If you return merchandise or packaged coffee, food and tea that you purchased with your registered Starbucks Card (note: an original receipt or gift receipt is required), your funds will be returned to you on a Starbucks store credit card, but Starbucks will not deduct Stars from your account. Starbucks store credit cards may be used in any participating Starbucks store, but they are not Starbucks Cards. For example, store credit cards do not accrue Stars and cannot be registered or reloaded for additional value.

If you use multiple forms of payment in one transaction, such as cash, credit card, or an unregistered Starbucks Card, the registered Starbucks Card that you use will be awarded a prorated number of Stars based on the eligible purchase amount that was applied to your registered Starbucks Card.

Stars which are awarded to a Member but have not been used expire 24 (twenty-four) months from the most recent transaction made using a Starbucks Card. A purchase made using a Starbucks Card or Card reload is considered a transaction. Additionally, Stars also

expire when a Starbucks Card expires (Starbucks Cards have 24-month validity from the last time reloaded or used) or if a Member closes his/her account.

## STARBUCKS REWARDS LEVELS

Currently, there are two (2) levels of benefits within Starbucks Rewards that are determined by the number of Stars that you accumulate in your account each year. By opening an account and registering a Starbucks Card, you will be automatically enrolled in Starbucks Rewards at the Green Level. If you earn at least two hundred (200) Stars within the twelve (12) month period following your enrollment date, you will qualify for the Gold Level. Green Level remains unchanged if you collect less than 200 Stars during a period of a year (12 months). The 12-month period is calculated from the date you complete your Registration – i.e. by clicking on the account activation link in the e-mail sent to you during the registration process.

Once you reach a specific level within Starbucks Rewards, you will receive the benefits that are applicable to that level at that time. However, you must continue to earn and accumulate Stars to maintain your benefit level.

To maintain all benefits of the Green Level, you must earn at least one (1) new Star during each consecutive 24-month period following your enrollment date. If you do not earn at least one (1) new Star in each 24-month period, your Star balance will automatically reset to zero (0) and you may no longer be eligible to receive Starbucks Rewards benefits.

To maintain the Gold Level, you must earn at least two hundred (200) new Stars during each consecutive 12-month period following the date you reached the Gold Level. If you do not earn two hundred (200) new Stars in 12 months, you will be placed at the Green Level of Starbucks Rewards.

If you have provided Starbucks with a current, valid email address, you will receive an email from Starbucks approximately twenty-four (24) hours after the free reward coupon is loaded to your account indicating that your Reward is available to you.

You can view and track your Star balance and available Rewards on [card.starbucks.hu](https://card.starbucks.hu). Starbucks reserves the right to change the number of benefit levels and to change the benefits and Rewards associated with each level in its sole discretion at any time.

## GREEN LEVEL REWARDS
